

## Our Trip to London Zoo

On Friday, our class went on a trip to London Zoo.

First of all we had to catch a bus to the tube station. Then we all got on a tube train to Camden. When we got there, we went inside through the large gates.

We saw lots of things at the zoo. First we saw some elephants. Then we saw the monkeys. They were so funny. Thirdly we went to see the penguins who were being fed. Next, we had our lunch. After that we went to the reptile house. Our class thought that the snakes were the most scary and the crocodiles looked really strange floating in the water. Finally we went to look at the aquarium where we saw all kinds of fish.

Eventually it was time to go home so we all lined up and walked back to the tube station.

In conclusion, we all had a good time and would like to visit the zoo again.
