Name:

## LO: To use number facts and work out sequences

Complete these number sequences

| 68 | 60 | 52 |  |  |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |

$\square$

Extra;
Can you think of a sequence and put some hints on these grids for your partner to finish?
